SAUDACÕES CORDEAES:

Venho por meio das seguintes paginas submeter á vossa apreciação os meus actos até a data de hoje. Não pretendo chamal-as um relatorio, mas sim uma pequena reportagem, com o cunho practico dos cidadãos desta terra.

Cheguei em Nova York no dia 5 de Junho ppdo., sendo recebido no caes pelo Sr. Junqueira, engenheiro Paulista aqui em estudos, que a pedido do presidente da "Committee on Friendly Relations Among Foreign Students" Sr. Chas. Hurrey, fora me esperar.

Hospedei-me no Hotel Mac Alpin, onde por intermedio da A.C.M. consegui um abatimento de 50%.

Minha estadia em Nova York foi sómente de alguns dias, durante os quaes despedi-me de Mr. Long e Sra. que seguiram para Tennessee, visitei alguns dos departamentos da A.C.M. de Nova York e fui apresentar-me a Comissão Internacional das Associações Christãs de Moços.

No sexto dia recebi aviso de Sr. Chas. Hurrey que tinha sido convidado para tomar parte nas Conferencias dos Estudantes, á realisar-se no campo de Verão do Y.M.C.A. College.

Embarquei portanto no dia 12 de Junho ppdo. com destino á Wooster, onde encontrei o Sr. Paulo Shaw, actual Director da Comm. on Friendly Relations. Elle accompanhou-me á Lake Geneva, onde está o College Summer Camp.

Em Wooster, Ohio, tive o grande prazer de tomar parte em um jantar intimo em casa de nosso grande precursor Sr. Myron A. Clark.

Recordações agradabilissimas me evocam as horas passadas no seio de tão obsequiosa familia patricia.

Sr. Clark cercado dos seus.

No dia 15 de Junho ppdo. achei-me no College Camp para assistir o meeting de abertura que foi solemne e commovente.

As conferencias que seguiram foram interessantissimas e de muito proveito para mim.

Eramos mais de 800 estudantes, entre elles 7 Brasileiros. Confessores todos da mesma fé em Christo, possuidores todos da mesma moral pura e são propalada pela Associação Chistã de Moços.

E era sublime ver estes jovens, representantes de 25 nacionalidades, vindos de todas as partes do mundo, encontrarem-se neste pittiresco lugarejo para reafirmar a sua fé e criar novas forças para um novo anno de labuta.

E eram preciosas as horas em que passavamos a ouvir homens experientes da vida, como o nosso querido "Dad Elliot", dando-nos conselhos proveitosos para combater os males da juventude.

E foi com geral pezar que no dia 25 de Junho ppdo. fez-se a sessão de encerramento.

Alguns dos Brasileiros que tomaram parte nas Conferencias.

"BLOCO MISCELANIIUS"

Representantes de 19 diferentes Nações.

"BLOCO LATINO-AMERICANO"

Representantes das Republicas Sul Americanas.

E enquanto o mundo está em guerra, estes estão em paz, unidos e com o mesmo Ideal debaixo da bandeira da Associação Christã de Moços.

Achei util, aos meus estudos, ficar em Lake Geneva e inscrivi-me no "Summer Term" (Curso de Verão) do Collegio, que durou de 24 de Junho a 24 de Julho ppdo.

Tomei parte nas aulas de Biblia, Gymnastica pratica, Athletica e Natação. Os conhecimentos adquiridos durante este mez são incontestaveis.

Edificio no qual eram dadas as aulas theoricas. "Brawn Hall" como chamavam.

Campo para os trainings athleticos, é situado nos fundos do "College Camp". Aos fundos ve-se o "Yerkes Observatory" de Williams Bay.

Carta que acompanha a gorjeta

dos Irs. aos quaes servi no meu tempo
de garçom no Summer Camp.

São quasi todos meus actuaes
professores no Collegio.

Edifício onde eram-nos administradas as aulas de Gymnastica Pratica.

Por ser necessaria muita economia, empreguei-me no Restaurante do Collegio como Garçon, desta forma recebia casa e comida mais \$24 por mez. No Brazil seria isto impossivel, mas aqui não é reparado pois todos meus companheiros de serviço tambem o eram de aulas.

Tambem encontrei no Summer Camp o Sr. Myron A. Clark e exma. familia, que foram incansaveis em facilitar e alegrar o meus primeiros tempos nos Estados Unidos.

Barraca em que passei os meus dias no College Camp.

Passado o Summer School, voltei a Chicago, onde estou residindo actualmente. Aluguei um quarto a cinco quadras do Collegio e tres da Universidade, estando desta forma perto de minhas aulas.

Ja' estou matriculado no Collegio para o "Winter Term" que durará até maio do anno pf.

Consegui a matricula, sem pagar nada pela frequencia das aulas, por intermedio dos Srs. Long e Clark, que muito se empenharam em me auxiliar. Foi uma sorte conseguir a tal "Free Tuition" pois doutra forma eu não poderia accarretar os gastos fabulosos que a vida aqui me obriga a fazer.

Elles me classificaram como ouvinte até receberem do Brazil os meus attestados de frequencia dos diversos Collegios em que estive. Disse-lhes que estava satisfeito como ouvinte pois meus estudos seriam mais praticos que theoreticos e que com certeza elles não receberiam grandes creditos do Brazil, pois as minhas viagens a Europa, Rio de Janeiro etc. impediram-me de frequentar consecutivamente um Collegio, que agora podesse dar um attestado definitivo dos meus estudos.

Com a minha frequencia á Summer School travei relações com os meus futuros mestres e todos elles têm dado provas de seu interesse para comigo e facilitado a minha frequencia aos diversos "Playgrounds" e eventos sportivos da saison para que eu estude o desenvolvimento actual dos sports. E vi que estão tomando logar dos sports individuaes, os executados em grandes massas.

No dia 23 de Agosto ppdo. assisti o 10. encontro athletico annual da Sears-Roebuck A. Association. Fui convidado pelo presidente da Sears-Roebuck Y.M.C.A. Department, que é uma da 27 A.C.M. aqui de Chicago. Essa trata principalmente dos empregados da fabrica de Sears-Roebuck & Co. que são em numero superior a 20,000. A fabrica é tão poderosa que até o quarteirão tomou o seu nome. Ella occupa nada menos de oito quadras de frente por cinco de fundo e todos os edificios com 10 andares. E fabrica tudo o que se pode imaginar.

Edificio da A.C.M. Sears Roebuck Depart. Pelo tamanho do exterior bem podeis imaginar a quantidade de privilegios aos socios,offerecidos por ella.

Parte Norte do edificio da fabrica,vendo-se na frente o campo athletico com as meninas promptas para o "Wand-Drill".

A assintencia ao meeting sportivo era cerca de 40,000 pessoas e como podeis ver pelas photogra-
phias era um aspecto colossal.

Consegui apanhar algumas vistas interessan-
tes das diversas partes do programma,que foi muitissi-
mo instructivo.

Everything worn by the well-dressed man—except his shoes

Durante os dias da semana frequentei os diferentes playgrounds, estudando o trabalho entre os menores, que aqui em Chicago é muito desenvolvido.

Na segunda feira da semana seguinte, dia 18 do corrente, fui a convite de Mr. Hoffer ao Monster Track and Field Meet em beneficio do 41. Regimento de Infantaria. Os jogos foram realizados no campo da Universidade, a duas quadras de casa. Como já conhecia os dirigentes do campo, pois seguido vou treinar com elles, consegui um emprego de fiscal, garantindo-me a entrada, dois dollars e mais a experiencia por estar envolvido em todo o programma. Tenho tambem photographias interessantes deste encontro, estando porém o céu nublado, sahiram mal. Talvez com algumas economias conseguirei comprar uma Kodak melhor e mais appropriada para os meus trabalhos sportivos e de futura propaganda da A.C.M., quando de volta em Porto Alegre.

Um lindo salto de altura.

Fim dos obstaculos 22o.

Como as minhas aulas no Collegio só começam no dia primeiro de Outubro, inscrivi-me nos cursos de Inglez da Central Brach Y.M.C.A. Lá tenho que pagar, porém como o meu inglez está aproveitando, não sinto muito os \$8 (Rs. 32\$000) por mez que estou gastando com as mesmas. Quando começarem as aulas no Collegio, tomarei as da Central Branch á noite.

No mais vou indo bem, procuro occupar todo meu tempo em estudos que são uteis para o meu futuro trabalho em Porto Alegre.

Tenho que seguir sempre o dilemma de nosso ex-presidente sobre a parcimonia nos gastos, pois quando parti de Porto Alegre esperava passar com \$50,00; ou sejam Rs. 200\$000; mas é completamente impossivel. Sou obrigado á gastar só em casa e comida \$61,00, ou sejam em moeda nacional Rs. 244\$000. Esta importancia com outros gastos inevitaveis, perfazem uma quantia com a qual eu não contava. Como por ora não quero perder meus tempos de estudos em algum emprego, vou retirando dinheiro do meu capital de reserva e conto para o anno que vem empregar-me, nas horas vagas que o Collegio me der, em alguma Y.M.C.A. daqui. Assim poderei equilibrar os meus gastos com o ordenado do emprego.

Estou sempre em contacto com Mr. Long e sua ultima carta foi de Jackson, Miss. onde está de passagem em uma campanha financeira. É elle que sempre me dá noticias da A.C.M. de Porto Alegre.

Meu endereço actual é o Y.M.C.A. College, 5315 Drexel Ave. Chicago, Ill. U.S.A., onde espero vossso apoio aos meus actos passados e vossas ordens para os futuros.

Respeitosamente

De VV.EE.
